

# Summer festival

*Performances  
Programme*

*2015*

at  
Dauntsey's

Welcome to our inaugural Summer Festival in which the final week of the academic year will see a celebration of School life that spans art, music, drama, sport and scholarship.

The Festival provides an opportunity to celebrate the talents and abilities within our School community and to showcase the achievements of our pupils.

For those in their final term, I hope this will enable them to enjoy their last few days at School in the best possible way, providing a fitting way to bid farewell to what I hope have been some very special years at Dauntsey's.

There will be over 30 events, ranging from jazz to classical music, dance to plays and lectures to recitals, all in ten locations on the school site. The centrepiece of the week will be Matthew Bourne's dance show, 'Lord of the Flies', featuring an all-boy cast.

Parents, friends and visitors are all most welcome and, I have no doubt, there will be something for everyone.

*Mark Lascelles*
